Dog Exercise Area Management Plan

The City of Kalamunda is reviewing its dog exercise areas, including off-leash exercise areas and dog-prohibited areas within the City.

Before we put the final touches on the draft plan, we want to ensure that the plan will be a tail-wagging success. Below is a snapshot of what the community told us in 2021. Has anything changed?

Comments close Monday 9 October 2023

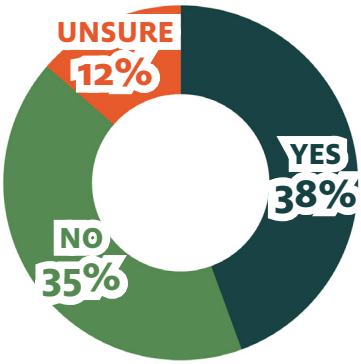

Snapshot of your 2021 feedback*

**342 respondents to the 2021 Dog Exercise Areas Survey.*

37% Were happy with the quality of our dog exercise areas

38% Felt there are sufficient off-leash dog exercise areas in the City

60% Felt there should be more responsibility by dog owners

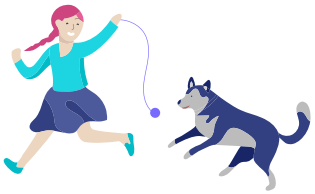

48% Felt dogs should be allowed on sporting grounds if there is no scheduled sport taking place

53% Felt stronger enforcement or ranger presence **was not** required

51% Felt there should be more fenced dog exercise areas

59% Felt themselves and their dog were safe in the City's off-leash or fenced areas

64% Felt there should be better signs or information for dog owners

53% Felt there were enough dog waste bins and bags in the City

Have your say on these spaces!
