Feedback Form: Draft Concept Plan for Haynes Street

The City of Kalamunda has allocated funding to undertake a detailed design for Haynes Street in the 2022/2023 financial year. The Haynes Street upgrade marks the continuation of the 10-year vision for the Kalamunda Town Centre coming to life.

The City invites your comment on the Draft Concept Plan for Haynes Street. The main features of the draft Concept Plan include:

- Re-establishing Haynes Street as a clearly identifiable 'High Street' connecting to the greater Kalamunda Town Centre.
- Increasing pedestrian safety and connectivity, including safer parking for cyclists and people with a disability.
- Providing a pleasant environment for residents and visitors to enjoy, with shade, rest stops, weather protection and wider footpaths.
- Enhancing and strengthening local business opportunities.

We are invested in bringing our community's vision for the Kalamunda Town Centre to life! Your feedback on the Draft Haynes Street Concept Plan is crucial in the early stages of the design process.

This form can be returned via the details in the footer. **Comments close 5pm Sunday 28 November 2022**
