Safe & Healthy Kalamunda 2023-2028

A plan for our community's health & wellbeing

In June 2023, we asked the community for their perspectives on how we can create healthy, safe and connected communities. This feedback has shaped the first draft of our *Safe & Healthy Kalamunda 2023-2028* - our plan that identifies our priorities for public health and safety over the next five (5) years.

We are now seeking your feedback on the draft plan to ensure it meets the needs of our community.

To provide your feedback, please read the draft Safe & Healthy Kalamunda plan and review the four focus areas. The survey can be completed overleaf and should only take 5 minutes to complete.

Focus area 1: Healthy Living

- Provide healthy ways to get around the City for cyclists and pedestrians.
- Provide access to information about healthy eating and living.
- Work towards reducing alcohol and drug related harm in the community.
- Work towards reducing exposure to second-hand smoke in the City.
- Work towards prevention of injuries.

Focus area 2: Healthy Community

- Support social and cultural events that celebrate diversity.
- Implement programs targeted at the early years, youth, seniors and all abilities.
- Enhancing community connections and supporting volunteering programs.
- Support mental health and wellbeing campaigns to raise awareness.
- Support the City's Arts and Cultural programs to contribute to a sense of place and wellbeing.

Focus area 3: Healthy & Safe Environment

- Reducing risk to the public through various public health initiatives and programs.
- Promoting safe communities through the City's CCTV program, Eyes on the Street and working with police.
- Provide services and activities to help the community respond and recover from emergency events.

Focus area 4: Healthy Partnerships and Healthy Economy

- Support economic development in the City.
- Collaboration with service providers.
- Supporting active and vibrant communities through event activations and supporting town teams.
- Activate places and spaces to connect community.
- Support and encourage events on City's land.
