Instructions for hand drawn pavers

Follow these simple rules to produce a quality engraved paver

- Use only a quality **black** marker pen with a tip size **no less than 2mm thick**. Check with test line at the bottom of the page.
- We recommend an **Artline 70** or **Sharpie** bullet point markers.
- **Do not use ball point pens, pencils, crayons or coloured markers.**
- If you are drawing over a pencil sketch, ensure that all pencil marks have been erased.
- Keep drawing and text large and simple.
- Do not use fine details, as they will not appear on the finished product.
- Do not use digital images. The engraving process has been setup for hand drawn images only.

Good drawing sample
- Simple sketch
- Large writing
- Thick Lines

Poor Drawing Sample
- Digital Drawing
- Used Pen
- Thin Lines

Draw within the dotted line box below. Anything drawn outside the box will **not** be engraved.

2mm test line
