

Safe & Healthy Kalamunda 2023-2028

Safe and Healthy Kalamunda is a five-year strategic plan that details how the City plans to improve community health and safety, while meeting the City's legislative obligations for public health planning under the *WA Public Health Act 2016*.

The plan has four focus areas:

- Healthy Living;
- Healthy Communities;
- Healthy & Safe Environment; and
- Healthy Partnerships and Healthy Economy.

Action Plan: Four Focus Areas

The City of Kalamunda recognises that health, safety and wellbeing are essential to creating a vibrant community. Our health is influenced by the environment we live in and the choices we make. To facilitate healthy, safe and connected communities, *Safe & Healthy Kalamunda 2023-2028* has actions over four focus areas over the next five (5) years.

Focus area 1: Healthy Living

Encourage and inspire the community to live healthier lifestyles.

- Provide healthy ways to get around the City for cyclists and pedestrians.
- Provide access to information about healthy eating and living.
- Work towards reducing alcohol and drug related harm in the community.
- Work towards reducing exposure to second-hand smoke in the City.
- Work towards prevention of injuries.

Focus area 2: Healthy Community

Supporting and celebrating cultural diversity and inclusion to promote positive mental health.

- Support social and cultural events that celebrate diversity.
- Implement programs targeted at the early years, youth, seniors and all abilities.
- Enhancing community connections and supporting volunteering programs.
- Support mental health and wellbeing campaigns to raise awareness.
- Support the City's Arts and Cultural programs to contribute to a sense of place and wellbeing.

Focus area 3: Healthy and Safe environment

Providing a safe and welcoming environment.

- Reducing risk through various public health initiatives and programs.
- Promoting safe communities through the City's CCTV program, Eyes on the Street and working with police.
- Provide services and activities to help the community respond and recover from emergency events.

Focus area 4: Healthy Partnerships and Healthy Economy

To engage with business, partners and stakeholders to work collaborating for the benefit of the community.

- Support economic development.
- Collaboration with service providers.
- Supporting active and vibrant communities through event activations and supporting town teams.
- Support events on City's land.

Have your say - closes 31 January 2024

In June 2023, we consulted the community to shape the development of our draft *Safe & Healthy Kalamunda Plan*. We now need your feedback on whether the plan will meet our community's needs over the next five years. To read the full plan and have your say, head to engage.kalamunda.wa.gov.au/healthykalamunda
